

Cherry Bark Cough Syrup

Its remedial properties represented by its ingredients are old, thoroughly tested and found to be best for their respective uses. The great success of this preparation has been to some extent due to its pleasant taste, as one of the greatest objections to ordinary cough remedies is their disagreeable taste. Another good point about Rexall Cherry Bark is that it does not derange the stomach as most cough medicines do.

"What Is a One Cent Sale?"

It is a sale where you buy an item at the regular price—then another item of the same kind for 1c. As an illustration: The standard price of Rexall Tooth Paste is 25c. You buy a tube at this price, and by paying 1c more, or 26c, you get two tubes. Every article in this sale is a high-class standard piece of merchandise, just the same as we sell you every day at regular prices, and have sold you for years.

A New Way of Advertising

This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full-sized package of high-grade standard merchandise for 1c. It costs money to get new customers, and the loss taken on this sale will be well spent if the goods please you.

Rexall Tooth Paste

A perfect dentifrice, antiseptic and deodorant. Cleans and whitens the teeth. Comes out flat on the brush.
